Chapter 1: Why You Need the Anointing

People always wonder why I am writing a book about Anointing. I am doing so because people need it in a world of non-helpers, people who don't serve others, and people who have never made a difference to anyone or made contributions to others. This book is about the Anointing and how the Anointing can transform your life for the better. When you have the Anointing (Holy Spirit), you become a different person entirely. The Anointing will make you into a spiritual person who help other people & give back.

It is essential to become anointed and spiritual when you are in the Christian faith. But most people will say it is more important to chase after money, houses, cars, clothes, friendships, relationships, and other stuff. Being anointed has never been about your houses, cars, possessions, or money. The Anointing is about Jesus Christ & God giving you the Holy Spirit to help you to become everything you need to be within life and to do God Will & Work for Jesus Christ & God in Ministries.

1 John 2:27

"But the Anointing that you received from Him abides in you, and you have no need

that anyone should teach you. But as his Anointing teaches you about everything, and is true, and is no lie—just as it has taught you, abide in him.”

This scripture is right, and what does it teach us? The Anointing!

People don't understand how strong the Holy Spirit's Anointing is because people are confused, and some people don't even believe in God.

This book will help fellow Christians and readers understand that you need the Anointing to achieve personal success, happiness, joy, and fulfilment. Without the Anointing and God's presence in your life, you would not be able to achieve real success or significance.

The Anointing is the Spirit of faith, and when you receive the Anointing, you will change spiritually forever. The Anointing is the Spirituality of Jesus Christ & God on a human being to make spiritual contributions within Humanity - Animals - Universe.

I am writing this spiritual book because I believe the Anointing is the secret ingredient that people need to have success in faith and have a relationship with God. Being anointed is a **spiritual thing** that changes your personality, behaviour, mentality, and characteristics.

No one told me to write this book; I was called from my Spirit to write this book and help Christian and readers understand the Anointing.

Most people are not anointed or even fulfilled, which means they cannot succeed in faith and would not achieve real significance in their lives. When you don't have the Anointing, your life becomes empty, depressing, miserable, and there will be no presence of God in your life.

The Anointing connects you with God and builds your faith. People say that being spiritual is not a good thing, but the truth is being a spiritual person is very important. You need the Anointing to maintain your spirituality and faith.

Dear Christians and readers, the truth is people don't want the Anointing or Spirituality.

I cannot tell you how many people misbehave, fool around, and just do nothing to help other people.

1 John 2:15

"Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him."

This is why most people cannot serve God and find the Anointing because people love ***the world and the material things in it.***

Why? Don't people have the Anointing? It is because they don't love God and don't honour God. When people love the world, they are entirely selfish and do lots of harmful things like smoking, drinking alcohol, misbehaving, and joking around. People of the world will never have the Anointing because they have no faith and have not built a relationship with God. People of the world are what we called non-Believers. The lush of the freshness and the pride of material possessions mean that people who are non-believers live a very harmful lifestyle and don't have the Anointing. Most people within the world live a lustful life of sin which means they can never ever gain the true spirit of Anointing because of there harmful, destructive lifestyle.

This book's message is to understand that you need the Anointing to become the person you want to be in life. You need your faith to connect you with the powers of God, and you need to understand spirituality to remain spiritual.

In the next chapter, I will share my personal story of how I became anointed and spiritual. You will learn about how the Anointing has affected my life and built my relationship with God.

Chapter 2: Christopher Liam Rose Story of How I Became Anointed

Deuteronomy 6:5

"You shall love the Lord your God with all your heart and with all your soul and with all you might."

In 2014, I lived in a flat and enjoyed being at home, making music videos on my laptop because I am a musician by skills and profession. My flat caught fire due to me burning a candle in my bedroom. The candle burnt my duvet and bedsheets and then destroyed the whole apartment. How I escaped from my burning flat is what I call God's grace.

When my flat burnt down right in front of my eyes, I was lost, felt despaired, hurt, suffered, and was in major distress. After the fire, I became officially homeless and didn't have a place to stay. I slept on the streets of West London in an area called Marble Arch with other homeless people. It was tough being homeless and living on the streets where I had no food, possessions, clothes, money, or home.

Dear Christians and readers, you don't understand how difficult it was for me to be homeless, mentally unwell, depressed, and

alone. Losing my flat and all of my possessions destroyed me personally, and I was completely lost in my life and had nothing.

The things I lost in my flat due to the fire were:

- ✓ ***Money***
- ✓ ***Clothes***
- ✓ ***Music Equipment***
- ✓ ***Personal Possessions***
- ✓ ***Furniture***
- ✓ ***Music Business***
- ✓ ***Loss Myself***

Before the fire in my flat, I was not a Christian, 'never attended church, and was not anointed.

While I was on the streets, I had nothing, so what changed? How was I able to get out of those situations and become someone who is anointed?

What changed is that - **I SUFFERED FIRST!**

This is the most powerful thing I will write in this book:

I SUFFERED FIRST!

Now I am going to share how I came out of being homeless and was able to help hundreds and thousands of people in my life.

I got sectioned in a hospital for my mental health conditions of schizophrenia, psychosis,

and depression which I have had for 17 years. While in the hospital with other patients being broke, poor, depressed, lonely, and unhappy, I made a decision that I want to get out of this situation. I didn't like being homeless and being in the hospital. Then I got the help and support that changed my life forever. Two people helped me; **Paul Dorrington- (Lead Employment Specialist), Karen Meechan - (Clinical Psychologist).**

Paul and Karen started to help me as I was very depressed and mentally ill. Paul got me my first mental health industry job as a Co-Facilitator running a hearing voices group for clients who had schizophrenia and psychosis within a Mental Health charity called Mind.

Karen helped me through Psychological/Counselling therapy, and I had many sessions with her talking about my past, Trauma, problems, the fire in my flat, and my feelings and emotions.

With the help of Paul and Karen, I rebuilt my life from being homeless into helping many people within the mental health industry. But what changed is that I became anointed and fulfilled within my life, which I call a **Spiritual Transformation**.

I have not only helped people with mental health problems; I have helped people through coaching, videos, books, messages, and audiobooks. I have been in documentaries/films sharing my personal story

of what happened to me. I have been interviewed on radio stations talking about my mental health recovery story of how I changed my life from being homeless into helping other people. I have also helped people in my faith life by doing evangelism and preaching the gospel of Jesus Christ to people in the community.

The Anointing that I have experienced from going through all the suffering, pain, adversity has completely changed my life. Now, I devote my life to help other people & giving back and try my best not to let anyone go through what I have experienced.

My life story is real, and it has been tough to deal with all the suffering, pains, and hurts I have experienced. But what is more important than all the things I have been through is - **Helping Other People & Giving Back.**

I found my life purpose in helping other people & giving back and because I help people in my life, I have become more anointed and fulfilled than I can ever imagine. When you devote your life to helping other people and giving back, you do the work that God wants you to do.

My mother was sick with breast cancer, and my granddad passed away, to add a bit more to my life story. This added more suffering - pain - adversity within my life which cause me to feel anxious, depressed, sad, low and challenged me mentally and emotionally.

I know it sounds so horrible that I have been through so much, but the truth is I somehow honour the suffering, pain, adversities that I have experienced because it has made me **anointed** and enabled me to help other people in my life.

I WILL NOT BE HELPING OTHER PEOPLE IF IT WASN'T FOR PAUL DORRINGTON AND KAREN MEECHAN WHO HELPED ME WHEN I WAS HOMELESS AND IN THE HOSPITAL.

What I value about my life story is I was at rock bottom with no home, money, possessions, food, drinks, or clothes and somehow, I have got a flat now, a motorbike, food, and drinks, have lots of clothes and got all of my possessions back. I have helped hundreds and thousands of people with mental health problems throughout my career.

Anointed or fulfilled people serve others and make a difference in people's lives.

Galatians 5.22

"But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness."

The bible says that the Spirit's fruit is love, joy, peace, patience, kindness, goodness, and faithfulness. It means when you honour the Spirit of helping other people, you gain the fruit of the Spirit.

The Spirit is the Anointing.

Like I mentioned previously, I suffered first before I became anointed. People think that suffering is a bad thing, and it doesn't help you, but the truth is – suffering helps you to be humble.

Because I lost my home & all of my possessions within a Fire in 30/09/2014 and became homeless & mentally psychotic the Lord Jesus Christ & God gave me the spirit of the Anointing and the skills and abilities to help other people & give back. I am so grateful that I was able to remain humble during my suffering, pain, adversity to homelessness and mental health crisis. This life experience could destroy a human being but it made me more driven and spiritually mature.

Humbleness is how you help many people and make a difference to others. If you are boastful, big, and proud, you don't have the skills or qualities to help other people.

Dear Christians and readers, some people are what I call flashy and very selfish human beings.

Proverbs 11.2

***“When pride comes, then comes disgrace,
but with the humble is wisdom.”***

Most people in the world are full of selfish ambitions and desires. Most people want houses, cars, possessions, status, and other stuff.

Why? It is because of their boastful pride.

Pride will only destroy you and not develop you in the work of helping other people.

The type of spiritual person I am is someone who tries to help other people, give back, make a difference, and contribute to others, but I desire to be selfless, live the no self and not pride myself in material riches.

Most people are not **selfless** because they are full of boastfulness and pride.

What has been the secret to my wealth and spiritual fulfilment? The below scripture in the bible shows the secret:

Matthew 6.33

“But seek first his kingdom and his righteousness, and all these things will be given to you as well.”

My secret is this scripture. I had to seek God's kingdom and righteousness to gain all the wealth I have in my life today, which is why I am so blessed by God and have everything I could ever dream of in my life.

What makes me truly rich is not my material possessions or the money I have; it is the Anointing (The Spirit) – Spirituality.

The Anointing, Faith, Spirituality has made me spiritually rich and given me spiritual prosperity.

The hard life lessons I have learn from my life experience of homelessness and mental health crisis is that I can never go back into the past and change what has happened to me with losing everything and having mental health difficulties. Something if life lord Jesus Christ & God blesses you because you have overcome suffering - pain - advervisties within your life and that give you your special unique gift & talents within the Anointing.

The Anointing has transformed my life from homelessness into ministries and helping other people.

Suffering - Pain - Adversity is temporary but the Holy Spirit and Anointing is Eternal & Spiritual.

In the next chapter, I will discuss why you should believe in God and love God.

Chapter 3: Believing in God & Loving God

When you become anointed, your spiritual life changes because God has given you the Anointing. You must believe in God and love Him. Loving and Believing in Jesus Christ & God become the most important thing in life and when you have the Anointing your faith & spirituality will grow in Jesus Christ & God. Faith is Spiritual and the Anointing is Eternal.

Believing in God and loving Him is all about trusting God and believing in the person He sent to save us, Jesus Christ, His Son. Trusting God with your spiritual anointed life is very important because you would not succeed without the blessing of God in your life.

Honouring God is everything when you are genuinely anointed because God has given you the Holy Spirit to start doing the work of God. In your faith or spiritual life, you must trust God to help and guide you in life. Having spiritual faith in Jesus Christ & God because very important because we need to find spiritual guidance within our daily life it is very important.

Since I became a Christian and received the Anointing, I have believed and loved God because I know how much God has done for me and how spiritually blessed, I am to be

doing God's work. I have always honoured God's presence in my life and try my best to live a life that pleases God.

When you believe in God and love God; you will have God's spiritual presence in your life, which is the Holy Spirit (The Anointing). This Spirit will build your relationship with God, and you stay more connected to God through the Spirit. You need to develop your spiritual relationship with God daily and the Anointing will bring you closer to Jesus Christ & God.

Hebrews 11:6

“And without faith, it is impossible to please him, for whoever would draw near to God must believe that he exists and that he rewards those who seek him.”

This scripture states that God is only pleased when you have faith and believe in him. When you believe and love God, you will be rewarded because God helps the people who seek him and honour him. That is why it is vital to believe in God and Love God in your faith and spiritual life.

1 John 4:16

“So, we have come to know and to believe the love that God has for us. God is love, and whoever abides in love abides in God, and God abides in him.”

In this scripture, God is trying to show us that if we believe in him and love him, we are

connected to God because God is Love and the people who abide in him are honouring God.

Believing in and loving God is how you stay truly anointed, and when you are anointed, you will start doing God's work and honour God in your life. Never forget that believing in God and loving God is the way you please God in your faith or spiritual life, so always honour the Anointing on your life

Philippians 4:19 ESV

And my God will supply every need of yours according to his riches in glory in Christ Jesus.

John 6:44 ESV

No one can come to me unless the Father who sent me draws him. And I will raise him up on the last day.

John 8:24 ESV

I told you that you would die in your sins, for unless you believe that I am he you will die in your sins."

In the next chapter, I will talk about why faith is so essential for your spiritual development.

Chapter 4: Faith

Having faith is the most important thing for your spiritual life, and it is what makes you connected with God. Faith is when you believe in the unseen things, and understanding that God is in the spiritual realms. When you have faith and believe in the power of God, this will change your life for the better because you know that God is helping you in your faith or spiritual life. God want you to build a spiritual relationship with him and we must spend time in worshipping and praying to God.

Matthew 21:22

“And whatever you ask in prayer, you will receive if you have faith.”

In prayer, God helps the people who have faith receive anything they want because they believe in God. God is an almighty powerful God who likes to see people who have faith and honour him. If you want to be anointed and spiritual, you must honour God with your faith and understand that God is here to help you achieve the things you want in life if you just honour God’s teachings and commandments.

God blesses people who spend time in prayer & meditation of the Word of God. You must develop a spiritual practice of prayer & meditation to connect to Jesus Christ & God.

This is very important for your faith & spirituality.

Romans 10:17

“So, faith comes from hearing, and hearing through the word of Christ.”

Faith always comes when you hear things because God speaks to you through his words and teachings. When you listen to podcasts, messages, audios, and sermons from Pastors, Evangelist, Teachers, Apostles of Faith, you will become more faithful and spiritual because faith comes from hearing and hearing the word of God. To be anointed, you are going to have to learn from the people who are deep in faith honours God. Learning about your faith is vital when being anointed because you need to understand what God wants you to do and how to overcome challenges in your life to maintain your Anointing and to honour God. All anointed men and women listen to podcasts, messages, and sermons daily because this fuel their faith and make them more anointed and faithful to God.

Proverbs 3:5-6

“Trust in the Lord with all your heart, and do not lean on your understanding. In all your ways, acknowledge him, and he will make straight your paths.”

In faith, it is important to trust God and understand God's teaching because it provides the knowledge and wisdom that will help you with the Anointing of your life. Understanding God is the key to wisdom, so make sure you read your bible daily and understand God's words if you want to maintain the Anointing.

Ephesians 2:8

“For by grace, you have been saved through faith. And this is not your own doing; it is the gift of God.”

Dear Christians and readers, you have only been saved due to your faith and relationship with God because God has given you the gift of salvation. Honouring your faith and staying true to what you believe in is how you gain the Anointing and live a very spiritual life.

The Grace of God is truly the Salvation in Christianity & Spirituality. Only Jesus Christ & God can give you the free gift of Salvation.

The Anointing is the Holy Spirit of Jesus Christ & God which will be given to you by Jesus Christ & God.

We must understand as Christian that you have been saved to do the ministries work for Jesus Christ & God.

Jesus Christ & God want you to contribute in Helping Other People & spiritual change humanity for the better.

You can never ever earn grace it is the free gift from Jesus Christ & God.

Family, Spouse, Friends, Relative, Children can not give you're the free grace of salvation only the Lord God can give you Salvation, Faith & Spirituality.

The Grace of God make you Spiritual Free and living within God & Jesus Christ will.

In the next chapter, I will talk about helping other people.

Chapter 5: Helping Other People

Being a person that is anointed means that you will help other people and give back within your life because that is what God wants us to do in the work of God. Helping other people is the most honourable thing to do, and the work is fulfilling and rewarding. The essence of being anointed means that you will help other people living in the world and try your best to save as many sinners as you can.

Jesus Christ & God want you to contribute and help humanity - animals - universe.

It is important to realise when your anointed you have been saved by Jesus Christ & God to make a difference and spiritual contributions. The Holy Spirit is the Spirit of Truth and will lead you to find truth within life which leads you to help other people & give back.

Philippians 2:4

“Let each of you look not only to his interests but also to the interests of others.”

This scripture is very powerful because when you help other people and give back, you need to look in the interest of others, which means

you need to think about what other people's needs are.

Being anointed means, you become selfless, live the no self in the work of helping other people, and you try your best not to think about yourself when helping other people. People in the world need lots of help to deal with their problems, feelings, and emotions. As someone that is anointed, your mission is to help the people who are dealing with many problems and try your best to resolve their issues and problems that they face.

God wants us to be a light to the world and follow the examples of what Jesus Christ did for us. Jesus Christ was utterly selfless. Living no self and lived a perfect life to help humanity and do the work of God. Jesus Christ gave up his life to help all the people in the world be closer to God. Jesus Christ is the leader of Christianity because he is God's Son, and we must honour the example that Jesus Christ left for us.

Jesus Christ's life was all about helping other people and doing the work of God Will. Dear Christians and readers, we must live a life that is about helping other people and giving back if we are going to complete the work of God Will.

The Anointing you experience will change your mindset, personality, characteristics, behaviour, and spirituality to help other people and make a difference in others.

The Anointing is about working for Jesus Christ & God with a pure heart so you are able to stay truthful, righteous and spiritual fulfilled.

God want all Christian to preach the gospel of Jesus Christ & God to all of Humanity & Mankind this is important in faith & spirituality.

In my walk with God & Jesus Christ and the journey I have been on, I have devoted my whole life to helping other people and giving back in all areas of my life because that is what God wants us to do for humanity.

Helping other people will help you find your life purpose and mission, and when you are anointed, your whole life will be about service to others.

When you are anointed you become a spiritual servant to Jesus Christ & God.

The Anointing will lead you to all spiritual truth and you will be able to live your spiritual calling of helping other people to find faith & spirituality with Jesus Christ & God.

Right now in the world there is a lack of faith & spirituality due to the corruption and sinful nature of Human beings.

The pride & destruction of life has made human being turn away from God and live a life of sin.

Jesus Christ & God has called you to help the lost people who need to find their relationship with Jesus Christ & God.

Faith - Spirituality - Anointing is the only way you can help millions & billions of people find Jesus Christ God.

You need The Anointing to do the work of helping other people & giving back. The holy spirit will help you to help other people in what they are going through

Please make it your life mission and life vocation to help other people & give back.

Dear Christians and readers, helping other people is a vocation and not a job. It is something you pursue with all your mind, strength, body, and heart. When you are anointed, the Spirit will teach you everything you need to know about helping other people, and God will guide you.

1 Peter 4:10 ESV

As each has received a gift, use it to serve one another, as good stewards of God's varied grace:

Acts 20:35 ESV

In all things I have shown you that by working hard in this way we must help the weak and remember the words of the Lord Jesus, how he himself said, 'It is more blessed to give than to receive.'"

1 Peter 4:10-11 ESV

As each has received a gift, use it to serve one another, as good stewards of God's varied grace: whoever speaks, as one who speaks oracles of God; whoever serves, as one who serves by the strength that God supplies—in order that in everything God may be glorified through Jesus Christ. To him belong glory and dominion forever and ever. Amen.

Matthew 20:28 ESV

Even as the Son of Man came not to be served but to serve, and to give his life as a ransom for many.”

Galatians 5:13-14 ESV

For you were called to freedom, brothers. Only do not use your freedom as an opportunity for the flesh, but through love serve one another. For the whole law is fulfilled in one word: “You shall love your neighbor as yourself.”

Luke 6:38 ESV

Give, and it will be given to you. Good measure, pressed down, shaken together, running over, will be put into your lap. For with the measure you use it will be measured back to you.”

Matthew 23:11 ESV

The greatest among you shall be your servant.

Philippians 2:1-11 ESV

So if there is any encouragement in Christ, any comfort from love, any participation in the Spirit, any affection and sympathy, complete my joy by being of the same mind, having the same love, being in full accord and of one mind. Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves. Let each of you look not only to his own interests, but also to the interests of others. Have this mind among yourselves, which is yours in Christ Jesus, ...

In the next chapter, I will talk about how you live the anointed Life.

Chapter 6: Living the Anointed Life

This chapter is an essential part of this book and the most vital: living the anointed life. Many people have tried to find out how to become genuinely anointed and obtain the spiritual life of God, but the reality is most people will never be able to find it because they are not with faith and don't help others.

Anointed Life is spiritual life, a life of meaning, value, impact, difference, and contribution.

I will list what it takes to live the anointed life to inspire Christians and readers who want to honour God and live a life of meaning.

What You Need to Do to Live the Anointed Life:

- Reading the Holy Bible every day
- Praying to God every day
- Attending Church
- Helping other people in all areas of your life
- Preaching, teaching, healing, evangelizing, Ministering, Pastoring and spreading the Gospel of Jesus Christ to everyone
- Working out in the gym and taking care of your health and well being

- Being a leader and not a follower
- Transforming and become a completely different person to everyone else
- Not loving the world and the things within it
- Overcoming your suffering, pains, Adversity, problems, and hurt to honour the calling of God on your life
- Honouring God, believing in God, and loving God
- Creating things of meaning and value (Books, Videos, eBooks, Podcasts, Sermons, Messages, Audiobooks)
- Honouring the calling of God
- Understanding spirituality
- Taking up your cross and suffering for what you believe
- Live your anointed life (Staying Spiritual)
- Following Jesus Christ and become a Pastors, Ministers, Evangelist, Apostles, Teacher of the word of God
- Being selfless and devoting your life to helping other people
- Using your money to help other people and give it away to build up the church
- Giving money to charities and organisation that help other people

That is how you can live the anointed life and honour God. Yes, you will have to deal with suffering in your life to honour the calling of God, and there will be days when you are not

motivated to honour the Anointing. But in faith, we are not meant to give up or go, it is too much to take, and it is too challenging.

Matthew 16:24

“Then Jesus said to his disciples, “If any of you wants to be my follower, you must turn from your selfish ways, take up your cross, and follow me.”

As you read the above scripture of what Jesus told the disciples, it should make you think about the Anointing and what it takes to follow God. Without denying yourself and all your selfish ways, you cannot follow God and Jesus Christ. This is why most people in faith and the Christian world don't help other people or even give back because they don't want to deny their selfish ways and want all the selfish ambitions and selfish motivations as everyone else, which is usually money, houses, cars, possessions, foods, and drinks.

Most people will never be anointed with the Holy Spirit of God because they are selfish.

Anointing and Spirituality make you faithful and honour God in your life. Without the Anointing, you cannot achieve success and prosperity.

I hope this book has helped you understand the Anointing and how-to honour God.

In my own experience in doing the work of God, I always honour the Anointing of my life because, without the Anointing, I cannot help people, write books, make videos, or do anything. This is why, for me and my faith (spiritual people), we honour God and the Anointing.

The meaning of the Anointing - HELPING OTHER PEOPLE and GIVING BACK!

True faith and spiritual people don't want money, houses, cars, or any material possessions because it doesn't motivate them at all. Honour God, believe in God and honour the Anointing.

Wealth is not about how much money you have or how many billions of pounds you earn. Real wealth is the SPIRITUAL FULFILLMENT of God, and who is the person that can give it to you? GOD! Without God's blessing in your life, don't even begin to try and chase success and money because you may never get it. Most people are all of the selfish, foolish, stupid ambitions, which mean they cannot even honour God or the Anointing.

Do not be surprised if anointed and spiritual people achieve more money than all these non-believers.

Find your Anointing and honour the calling of God – see your life flourish in ways you can only begin to dream about.

**NOT FOR THE MONEY, HOUSES, OR CARS,
BUT FOR THE HONOUR OF GOD AND THE
ANOINTING OF THE HOLY SPIRIT**

Chapter 7: Thank You

I would like to say thank you to Paul Dorrington (Lead Employment Specialist), Karen Meechan (Clinical Psychology), Dag Heward Mills (Pastor, Evangelist, Teacher), Jiddu Krishnamurti (Philosopher, Spiritual Teacher), Jesus Christ & God for helping to write this amazing book and for helping me to overcome my adversity & suffering.

Paul Dorrington (Lead Employment Specialist) - Paul Dorrington helped and supported me when I was 24 - 25 years from homelessness and mental health crisis to get back into Paid Employment in the Mental Health Industry. Paul Dorrington is my Spiritual Hero and I value and respect all of the support and help Paul Dorrington has given me through my years. Christopher Liam Rose & Paul Dorrington's professional relationship has been for 10 years since 2014 - Present. Christopher Liam Rose owes his whole life to Paul Dorrington for showing him mental health recovery and hope, faith, control, and opportunity. Christopher Liam Rose has now worked with Paul Dorrington as an Employment Specialist in SWLSTG at North Kingston Team but will slowly be moving on to a Peer Support Coordinator role at SWLSTG (Sutton Jubilee Health Centre). Christopher Liam Rose's dream was to

work with Paul Dorrington in mental health recovery and IPS Employment Specialist Support. Since Christopher Liam Rose has worked with Paul Dorrington in SWLSTG as an Employment Specialist he has received 2 Awards for excellent IPS Employment Specialist work.

Karen Meechan (Clinical Psychologist) - Karen Meechan helped and supported Christopher Liam Rose in 2014 in Psychology and Counselling Therapy when Christopher Liam Rose went through homelessness and a mental health crisis. Karen Meechan is the main reason why Christopher Liam Rose has developed persistence, resilience, and coping strategies to manage his mental health conditions and learning difficulties of Schizophrenia, Psychosis, Depression, Diabetes, and Dyslexia. Karen is my Spiritual Hero and has helped me to recover from my mental health conditions and learning difficulties. Karen taught Christopher Liam Rose about dealing with Past Trauma, setbacks, overcoming adversity, and life challenges. Karen was the first person that Christopher Liam Rose opened up about his past and trauma. On 30/09/2024 Christopher Liam Rose lost his home and all of his

possessions in a fire that burned away everything that Christopher Liam Rose owned including possessions and music equipment. Karen helped Christopher Liam Rose deal with the fire and past trauma he experienced and showed him the light in helping other people and giving back. Karen told Christopher Liam Rose to write in journals to process his life, feelings, emotions, dreams, and desires. Christopher Liam Rose has been writing in journals since 2015 - Present and how many journals of his past life and experiences within the journals. Christopher Liam Rose & Karen Meechan's professional relationship was from 2014 - 2020 when Karen Meechan supported Christopher Liam Rose in Psychological Therapy 2 times 1) Psychology & Counselling in 2014 2) Psychology & Counselling in 2018. Christopher Liam Rose has experienced serious life setbacks and challenges which Karen Meechan helped me to deal with. Because of Karen Meechan, I can live a normal life and I have recovered from mental health illness.

Dag Heward Mills (Teacher, Pastor, Evangelist) - Dag Heward Mills has been my spiritual Christian father and leader in my Christianity & Spirituality. I have been attending Dag Heward Mills church called Lighthouse Chapel International #LCI 2014 - present. Christopher Liam Rose respects and honours Dag Heward Mills

for all of his teachings, sermons, videos, and audio that he has been learning from since 2014. Dag Heward Mills is one of the main reasons why Christopher Liam Rose has stayed in faith, Christianity, and Spirituality. I have become an Evangelist and Teacher in Christianity and Faith based on Dag Heward Mill's Teachings. I owe my Christian walk with God to Dag Heward Mills and I am very grateful to be a part of Dag Heward Mills church and congregation.

Jiddu Krishnamurti (Spiritual Teacher, Philosopher) - Jiddu Krishnamurti is a very special spiritual teacher and philosopher that helped me with Spirituality and faith. I discovered Jiddu Krishnamurti's Videos Series - A Wholly Different Way of Living with Dr Allan San Diego 1974 on YouTube when I was going through a mental health crisis and breaking up with my ex-partner. Because I watched Jiddu Krishnamurti videos talking about Spirituality, Meditation, Mindfulness, God, Faith, and Religion I started to become a Spiritual person and was practicing meditation and mindfulness. Jiddu Krishnamurti is the main reason why I have changed all of my life spiritually and become a very spiritual person. Jiddu Krishnamurti helped me to find Spirituality and God and I would have not been able to achieve Spiritually Freedom from the known without Jiddu Krishnamurti's teachings. I have a

spiritual aura and spiritual presence because of the teachings of Jiddu Krishnamurti who is my spiritual teacher and spiritual philosopher.

Jesus Christ & God - This has become the most important thing in my life to learn and understand Jesus Christ & God. My faith, Spirituality, and Christianity are very important to me, and being with Jesus Christ & God makes me Spiritual. Being a Christian and learning about Spirituality and Christianity has become everything to me and more. My love and devotion for Jesus Christ and God is everything and that is why I can be an Evangelist and Teacher in Faith, Spirituality, and Christianity.

My spiritual hero is very important to me in my life story and journey, and they are all the reasons why I have become a spiritual person.

I want you to understand dear readers that you can become spiritual and live a meaningful productive life. My life has been very difficult and challenging but I would change any of my life experiences because they made me who I am today. The only things I would change about my life are the things I did to hurt other people like --ex-partners, family, and childhood abuse.

My life is not perfect by any means, but I have learned very important life lessons that I want to share in my life story. Please remember readers I am only a human being, and I am not perfect but I want you to feel inspired and hopeful about your future, and by reading my books you will find faith, Spirituality, and Christianity and become the person you want to be.
